Morning all,

My kids parent teacher conferences went a little long this morning so may be a little late but will be there.

Re Alice Rogers note:

- Back-to-back meetings (March 11 & 12) seems a good gesture, to maximize public participation, and provide information in advance of Port Commission hearing
- March 20 will be a combined Port CAC meeting (Central and Northeast Waterfront) – but with multiple agenda items
- The April 8th NA meeting could be a more dedicated discussion of the project, and opportunity to develop Good Neighbor policies

I can attend, but I believe that Kari will not be available until later in the morning.

Good morning,

Can we meet at 9:30 to discuss the SWL 330 assignment? Boris and Kari, I have asked Randy to provide a major assist on the outreach and communication pieces.

Thank you,
Elaine
